## Cool Tool

TurboTax is a tax preparation tool that allows you to file taxes electronically without the use of a Certified Public Accountant. TurboTax also offers a Tax Caster tool that allows you to simulate your filing to forecast what your return might look like. Check out both tools on the Intuit website!

## Career Corner

### Sports Marketer

- Sports Marketing is a job that is the
- awesome combination of Business and
- Sports. Like sports? Play sports? But want to
- earn money? This can be a great career path.
- However, it takes dedication if you want
- career growth in this field. 2016 West Leyden
- graduate, Adrian Perez, is a Sports Marketer
- now on staff full time at West Virginia
- University. Having started as an Intern,
- Adrian says that the work allows him to be
- creative and that he has a blast doing it. But,
- he also says that it can be very time
- consuming. His role
- consists of both internal
- marketing affairs (seating,
- music and the Jumbotron)
- and also external affairs
- (ticket sales, social media, etc).

- At Leyden, Adrian gained experience
- through classes like Sports & Entertainment
- Marketing & TSI. For his undergrad at West
- Virginia University he studied Sports
- Management with a dual minor in
- Advertising & Business Administration. He
- also worked internships both on campus as
- well as with the Chicago Bandits and
- Northwestern University in Chicago. Adrian
- is continuing his academic career at West
- Virginia currently enrolled in the Sports
- Management Masters Program.

## TSI Tech Tip

Want to save battery on your Chromebook?

1. Choose the SLEEP option rather than just closing your Chromebook lid.
2. Turn off your screen display 3. Dim your brightness.
